

# MENU

**Food plays a big part of all Pukete Neighbourhood House OSCAR Programmes. Unlike many other programmes, ALL food is included in your fees!**

**No hidden extras, and no need to make lunches!!**

Our trained, in-house chef produces fresh, healthy, and amazingly delicious food items every day. **Covering breakfast, morning tea, lunch, afternoon tea & snacks!!**

### ***What might you find on our menu?***

*Meals such as; burgers, nachos, macaroni cheese, butter chicken, pasta bake, packed lunches and more!*

### ***Do children have input?***

Our kitchen team also go a step further, ensuring that many of our daily meals are interactive cooking/food experiences for our children.

### ***The Pukete Difference!***

Many holiday programme providers do not offer food as part of their programme... At Pukete Neighbourhood House we are different!! Food brings people together.

### **What if my child has a dietary requirement?**

We can cater for all dietary requirements, provided this information is supplied to us upon enrolment and/or booking completion. Unfortunately we cannot cater for "like or dislikes", so if there is a menu item your child doesn't like you are welcome to provide their own food for that day.

Please note, water and fresh fruit is made available to children all day.

**If you have any questions, please feel free to speak with one of our friendly team – They are happy to help!**
