

MENU

Food plays a big part in all of Pukete Neighbourhood House OSCAR Programmes. Unlike many other programmes, **ALL food is included in your fees!**

No hidden extras, and no need to make lunches!

Our trained, in-house chef produces fresh, healthy, and amazingly delicious food items every day. Covering breakfast, morning tea, lunch, afternoon tea & snacks!

What might you find on our menu?

Meals such as; burgers, nachos, macaroni cheese, butter chicken, pasta bake, packed lunches on trips, and more!

Do children have input?

Our kitchen team also go a step further, ensuring that many of our meals are interactive cooking/food experiences for our children.

What if my child has a dietary requirement?

We can cater for all dietary requirements, provided this information is supplied to us upon enrolment and/or booking completion. Unfortunately we cannot cater for “like or dislikes”, so if there is a menu item your child doesn't like, you are welcome to provide their own food for that day.

The Pukete Difference!

Many holiday programme providers do not offer food as part of their programme... At Pukete Neighbourhood House we are different! We know food brings people together, and that's why it's so important to us.

Please note, water and fresh fruit is available to children all day.

If you have any questions, please feel free to speak with one of our friendly team – they are happy to help!
